

PROJECT NURSE

Recognising and enabling veterinary nurses' skills

VetPartners are delighted to launch Project NURSE!

Project NURSE aims to improve animal health and welfare through addressing the strong interest among our equine nursing teams in developing their clinical roles and providing more client-facing services.

We are looking for horse owners to complete a short questionnaire about their perceptions of and experiences with registered equine veterinary nurses (REVNs).

WIN £100 LOVE2SHOP Vouchers!

The survey should take approximately 10 minutes to complete. Your responses are anonymous, but you can at the end be transferred to put your details into a prize draw to win £100 'Love to Shop' vouchers.
